The one that is at the core of a person s unrest and inability to find their path to destiny. It is the unanswered question that prevents us from seeing the promises of God come to pass and shine bright in our lives. It is the question at the root of everything we hear happening in cities around the world. People don t know who they are so they operate in what someone said they are supposed to be. Or, even worse, the fact that you don t know who you are looms so large, people respond to their perception of you and that perception can kill you! But, the real deal is not how you got there, it is how you get out of it. How do you figure out who you are? How do you learn to be okay with the discovery and begin to live in that truth? God has the answer. He wants you to be FIERCE! Find Identity Embrace Righteousness and Conquer the Enemy. Who we are lies in knowing who He is and allowing Him to work in our lives.
