

The Promised Land: How Doing Your Homework in Your Wilderness Leads to Healthy, Lasting Relationships

By Susan Sperling Brock

WestBow Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.How do you persevere when life seems hopeless and you feel so helpless? Where does faith fit in? How do you find meaning and purpose in life when the most important people in your life are not there? How do you overcome years of depression? What can you do to be successful in marriage when only failure has been modeled before you? These questions and their answers are the starting points to healing from past damaging relationships and entering into a life of emotional strength and spiritual boldness. In the Old Testament, God called His people to a land that was filled with milk and honey. It was called the Promised Land. Similarly, He calls each believer today to a place of rest and abundant living. This book--made possible by combining decades of personal struggle, spiritual counseling, personal Bible study, and a psychology background--can be your pathway to the fullest and happiest days of your life as well.
