Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The experts agree: finding out that your child has type 1 diabetes comes as a shock to most parents. Blood sugar levels, meters, shots, insulin, diet, exercise, hypoglycemia, complications, treatment plans, doctors, family: this is a whole lot of new challenges to cope with. No doubt your doctor and healthcare team have given you a lot of information and guidance about how to be a parent of a child with diabetes. Even with all this information about type 1 diabetes and your child, you are probably still experiencing a high level of anxiety about how best to support your child, both immediately and in the long run. Your concerns, your fears, are normal. Managing your child s diabetes is not just a medical challenge; diabetes causes severe stresses and strains that tax the psychological and emotional strengths of all those involved. This book provides parents with ten ideas focused on these psychological and emotional issues that ultimately consume a substantial share of your time and effort as a parent in helping your child manage his or her diabetes....
