Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Every writer has a story they ve written which will never see the light of day; those painfully short stories; the ones which simply couldn t mature into a full blown novel. We love them; we dig up old notebooks and journals to reread them and are sometimes disappointed these stories won t find a home in the hearts, minds (in my case, dirty minds) of our readers. This compilation of story scenes and poems are not the scraps carved off better works. They are both new and classic pieces of mine which have been polished to give them their own moment to shine.
