Marshall Cavendish International (Asia) Pte Ltd. Paperback. Condition: new. BRAND NEW, **S.T.R.I.P.T.E.A.S.E : The Art of Corporate Warfare**, Mukul Devar, In the intense competition of today's corporate world, CEOs cannot merely apply the theories of management they learnt in classrooms - unless, of course, they are content with mediocre success. No corporation can hope to succeed without proper strategies, discipline and determination - and there is no better place to learn those from than the battlefield. **S.T.R.I.P.T.E.A.S.E. - The Art of Corporate Warfare** studies military strategies, some brilliant, others flawed, taken from the times of Alexander the Great right up to recent military campaigns, and applies them to the dynamic, cut-throat world of modern business where ignoring minor details can spell disaster. The book highlights the importance of: selecting and maintaining an aim; concentrating force at the decisive point; economic use of resources; boosting the morale of your workforce; and surprising your competitor. The author is a successful entrepreneur who learnt the lessons in this book while on operational duty in Sri Lanka and at the Siachen Glacier during his service in the Indian Army. **S.T.R.I.P.T.E.A.S.E.** is the easiest way to learn from the great history of warfare and transform your business into an even more successful and profitable organisation.
