Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Handbook to the City and University of St. Andrews The purpose of this Handbook is to enable those Quincentenary guests who happen to be strangers to St. Andrews to make them selves acquainted with the City and the University in as short a time as possible. It contains a succinct history of the City, with brief descriptions of its most interest ing buildings. Then follows a more detailed, but still very inadequate, sketch of the fortunes bf the University during the five centuries of its existence, together with some account of its present position, build ings, and equipment. I have done the best I could for the book in the time at my disposal. It has been put together at odd moments, amid other pressing work, during the past few weeks - part of it when I was away from St. Andrews - and it went to the printer as fast as it was written.
