The publication is easy in read through better to recognize. It usually will not cost too much. You wont feel monotony at whenever you want of the time (that's what catalogs are for concerning when you question me).

Simon & Schuster Adult Publishing Group, Old Tappan, New Jersey, U.S.A., 1998. Soft Cover. Book Condition: New. Finally, a story of a handsome, educated, heterosexual black man and his experiences with careers and relationships in the fast-moving '90s! Bobby Dallas, a budding radio talk-show host, has no skeletons or kids in the closet. All that's missing is a talented, sexy, smart black woman by his side. And that should be easy, right? But after a shattering breakup with his first love, Bobby wanders for years between women and jobs, unsure about marriage, family, economics, and his overall stability. Having achieved his dream of becoming a highly successful radio talk-show host, Bobby is a man with the best of intentions not only in his career, but also in love. He learns, though, that being a "do right man" is far from easy.
